

VICTORIAN NOTICE TO MARINERS

The following Notice to Mariners is published for general information

Port of Hastings 30th June 2014

Australia – Victoria – Western Port

NTM 114 (T) 2014

Marine Geotechnical Surveys in Western Port

Effective; 30th June 2014

Details; The Port of Hastings Development Authority has engaged contractors to carry out marine geotechnical surveys within Western Port using the jack-up barge Sealift 1, details below.

<i>Name</i>	<i>LOA[m]</i>	<i>Beam[m]</i>	<i>Draft[m]</i>
<i>Sealift 1</i>	<i>18.0</i>	<i>9.3</i>	<i>0.5</i>

Crew transfer vessels and barge towing vessels will operate around the barges for various operational needs.

Survey work will be carried out between the 30th of June 2014 and the 30th of September 2014

A 100m exclusion zone is in place around the jack-up barges. Mariners are directed to observe this exclusion zone and keep clear of survey vessels and equipment at all times.

Further Notice; This notice is self cancelling.

A handwritten signature in blue ink, appearing to read "Shane Vedamuttu", is written over a horizontal blue line.

Capt Shane Vedamuttu.
Harbour Master – Western Port
